SACRAMENTO --- Secretary of State Kevin Shelley announced yesterday that the proponents of three new initiatives have received clearance to begin collecting petition signatures for their measure.

The Attorney General's official titles and summaries are as follows:

**PREFERENTIAL VOTING. TERMS OF OFFICE. REDISTRICTING. INITIATIVE CONSTITUTIONAL AMENDMENT.** Requires Legislature to establish procedures enabling voters to select and rank candidates by preference in elections. A voter's second or subsequent preference will be counted when voter's prior preferences have been deemed ineffective under standards set by the Secretary of State. Candidates for constitutional office must receive majority of votes to be elected. Requires redistricting plans establish designed to maximize accurate representation of voters. Permits the Legislature to provide for single or multi-member districts for its members. Deletes reference in Constitution to half of the senators being elected every two years.

The proponent, Casey Peters, must collect 598,105 signatures of registered voters for his measure. The 150-day deadline to circulate petitions is March 4, 2004. The proponents can be reached at (213) 385-2786.

**ELECTIONS. PRIMARIES. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE.** Requires primary elections in which voters may vote for any state or federal candidate regardless of party registration. Exempts presidential nominations and elections of party central committees, in which only registered party members may vote unless party otherwise permits. Only the two primary-election candidates with most votes for an office, whether or not members of same party, would be listed on general election ballot; however, candidate receiving majority vote in special primary election is elected. Requires party consent to allow identification of candidates' party registration on ballot and other official election publications.
